## **Competition Guidelines**

### **Task**

To produce a portfolio of three photographs based upon the theme, 'The Beauty of our Canals' in colour or black and white, presented either via email or on photographic paper.

Prints to be submitted separately. Each print including any mount should be no larger than A4 size. Mobile phones may be used to take photographs. Please also ensure that other young people are not included in any photographs submitted.

In addition, each entrant should provide a brief sentence of what each photograph means to them in relation to the theme. If supplying prints, please do not write anywhere on the photograph but submit these written details on a separate piece of paper.

Judges will be a selected panel from LNBP's Executive Management Committee who will select one photograph from the three entered for each entrant. They will then simplify the entries down to the final three for each age category and will then choose the overall winners. Judges will consider technical merit; content and composition; imagination and style. Only in exceptional circumstance, at the sole discretion of the competition organiser, will correspondence or discussions be entered into.
