COMMUNITY BOATING

MEMBERSHIP APPLICATION

What does membership entail?

Membership of LNBP Community Boating entitles you to attend Annual General Meetings and Extraordinary General Meetings of the Project, to vote at those meetings (including voting in the election of Executive Officers) and to receive information about the work of the Project. Corporately, the membership has further powers defined by the company's Memorandum of Association.

Membership carries with it the obligation for each individual Member to guarantee that in the event of the company going into liquidation you will personally contribute to the payment of any outstanding liabilities to a maximum limit of £1 (one pound).

Currently Minimum subscription is £30 per annum and is used to fund the Bursary Account which provides those who are less advantaged a subsidised, if not free, holiday on the canals.

How do I register?

Please return this completed Registration for Membership and Bankers Order to the Membership Secretary.

Members who pay income tax are asked to consider paying their membership through Gift Aid, which will enable the Project to re-claim tax on the amount of your subscription, without any additional cost to the member.

Registration of Members will be regulated by the Trustees acting within the terms laid down by the company's Memorandum of Association.

Your name and address will be entered on the Project's computer records, but will not be passed to any other organisation.

Thank you

Your support is appreciated
